

# Guitar String / Wedding Ring

Carly Rae Jepsen

You were here and then you left  
And now there's nobody, nobody  
Now they're all just second best  
There's nobody, nobody

So if you want me  
I'll be around  
You're a bird in the water  
I'm a fish on the ground  
Just hold me closer  
Oh won't you hold me down tonight

But if you cut a piece of guitar string  
I would wear it like it's a wedding ring  
Wrapped around my finger  
You know what I mean  
You make my heart sing  
If you cut a piece of guitar string  
I would wear it  
This is the real thing  
Wrapped around my finger  
You know what I mean  
You make my heart sing

When you're near I feel the best  
I'm somebody, somebody  
It's in my pulse, it's in my chest  
My whole body, whole body

So if you want me  
I'll be around  
You're a bird in the water  
I'm a fish on the ground  
Just hold me closer  
Oh won't you hold me down tonight

But if you cut a piece of guitar string  
I would wear it like it's a wedding ring  
Wrapped around my finger  
You know what I mean  
You make my heart sing  
If you cut a piece of guitar string  
I would wear it  
This is the real thing  
Wrapped around my finger  
You know what I mean  
You make my heart sing

You're in the country  
I'm in the town  
You're a bird in the water  
I'm a fish on the ground  
And I wanna be there  
For you tonight  
And I hope you hear me  
Baby I hold on tight  
Hold on tight

Yea

If you cut a piece of guitar string  
I would wear it like it's a wedding string  
Wrapped around my finger  
You know what I mean

If you cut a piece of guitar string  
I would wear it like it's a wedding ring  
Wrapped around my finger  
You know what I mean  
You make my heart sing  
If you cut a piece of guitar string  
I would wear it  
This is the real thing  
Wrapped around my finger  
You know what I mean  
You make my heart sing
