

# Happy Not Knowing

Carly Rae Jepsen

I fight, I fight  
All my feelings for you all night, all night  
Don't stay, don't stay  
I've got feelings for you I hide, I hide

But I'll only go so far  
I don't have the energy  
To risk a broken heart  
And you're already killing me

But if there's something between you and me  
Baby, I have no time for it  
I'm happy not knowing  
And please don't stir it up  
I'm sure it's nothing but some heartburn, baby  
And I'm happy not knowing

All our friends that I know  
They've been trying to set us up together  
I lie, I lie  
I say somebody else would suit you better

But I'll only go so far  
I don't have the energy  
To risk a broken heart  
And you're already killing me

But if there's something between you and me  
Baby, I have no time for it  
I'm happy not knowing  
And please don't stir it up  
I'm sure it's nothing but some heartburn, baby  
And I'm happy not knowing

I'll turn your love away 'cause I want to sleep at night  
It's just that my broken heart is my alibi  
I'm afraid, afraid, afraid, afraid of knowing  
What I'm knowing, what I'm knowing  
I'm happy not knowing

But if there's something between you and me  
Baby, I have no time for it  
I'm happy not knowing  
And please don't stir it up  
I'm sure it's nothing but some heartburn, baby  
And I'm happy not knowing

Where this goes?  
How this goes? (Happy not)  
If this goes (I'm happy not)  
But I'm happy not knowing  
Where this goes?  
How this goes? (Happy not)  
If this goes (I'm happy not)  
But I'm happy not knowing
