1. Speak to me
You're walkin' closer
Am
And it's hard to breathe
I should be runnin'

But the hearts naive
B
And I expect too much
2. You were good to me
I left a scar that no one else can see
And now you're back here
And reminding me
That I lost way too much

C

- *: Do you know that night

I almost said I loved you
C
And you almost said it back

F

- R: Are we gonna be more than a memory
Am
No matter how lame my apology
Dm
I let go of you
C
You let go of me
B C
Are we gonna be more than a memory
- Are you gonna just stand in front of me
Pretending I'm not your destiny
I'm not over you
Are you over me
Are we gonna be more than a memory

F Am

Dm

C
Are you over me
B C
Are we gonna be more than a memory

Cause no one else can say it quite the same
It takes me back to your September days
I've missed you way too much

4. If I was cruel to you
Well just to hear it breaks my heart in two
If there's a way to make it up to you
I wanna change so much you know I do

Lay your body next to me
