

Part of Your World

Carly Rae Jepsen

Maybe he's right
Maybe there is something the matter with me
I just, I don't see how a world that makes such wonderful things could be bad

Look at this stuff
Isn't it neat?
Wouldn't you think my collection's complete?
Wouldn't you think I'm the girl
The girl who has everything?

Look at this trove, treasures untold
How many wonders can one cavern hold?
Lookin' around here you'd think
(Sure) she's got everything

I've got gadgets and gizmos aplenty
I've got whozits and whatzits galore
(You want thingamabobs? I got twenty)
But who cares?
No big deal
I want more

I wanna be where the people are
I wanna see
Wanna see 'em dancin'
Walkin' around on those
(Whad'ya call 'em?) Oh - feet
Flippin' your fins you don't get too far
Legs are required for jumpin', dancin'
Strollin' along down a
(What's that word again?) Street

Up where they walk
Up where they run
Up where they stay all day in the sun
Wanderin' free
Wish I could be
Part of that world

What would I give
If I could live
Out of these waters?
What would I pay
To spend a day
Warm on the sand?
Betcha on land
They understand
That they don't reprimand their daughters
Bright young women
Sick of swimmin'
Ready to stand

I'm ready to know what the people know
Ask them my questions
And get some answers
What's a fire and why does it

(What's the word?) Burn?

When's it my turn?

Wouldn't I love

Love to explore that shore above?

Out of the sea

Wish I could be

Part of that world
