

Psychedelic Switch

Carly Rae Jepsen

It's like a psychedelic
It's like a psy-, it's like a psychedelic sw-switch
It's like a psychedelic, it's like a psychedelic
It's like a psy-, it's like a psychedelic sw-switch
It's like a psychedelic, it's like a psychedelic
It's like a psy-, it's like a psychedelic sw-switch
It's like a psychedelic, it's like a psychedelic
It's like a psy-, it's like a psychedelic sw-switch

I think all my life
I never met anybody like you
Sunrise all the time
When I touch you

It's like I'm waking up
In a euphoria
My insecurities
Are things I never was

I was a sad, sad song before we met
But boy your love is such a trip

It's like a psychedelic switch
Don't wake me 'cause I'm lucid dreaming
Meditating on your lips
'Cause, baby, I'd be satisfied forever with a couple years of this
Make me feel like in my birthday suit
With you, I'm putting on the Ritz
It's like a psychedelic switch

I'm in paradise
I never met anybody like you
I don't wanna hide
When I'm with you

It's like I'm waking up
In a euphoria
My insecurities
Are things I never was

It's like my whole life now is making sense
I'm on the wildest trip and this

It's like a psychedelic switch
Don't wake me 'cause I'm lucid dreaming
Meditating on your lips
'Cause, baby, I'd be satisfied forever with a couple years of this
Make me feel like in my birthday suit
With you, I'm putting on the Ritz
It's like a psychedelic switch

You feel just like home
I'm not scared to show ya
You feel just like home
I'm not scared to show ya
You feel just like home
I'm not scared to show ya

Yeah, all my insecurities
Can't stand the way you look at me
You loving me is hard to resist

It's like a psychedelic switch
It's like a psychedelic switch
It's like a psychedelic switch
It's like a psychedelic switch
(It's like a psychedelic, it's like a psychedelic)
(It's like a psy-, it's like a psychedelic sw-switch)

It's like a psychedelic switch
Don't wake me 'cause I'm lucid dreaming
Meditating on your lips
'Cause, baby, I'd be satisfied forever with a couple years of this
Make me feel like in my birthday suit
With you, I'm putting on the Ritz
It's like a psychedelic switch

It's like a psychedelic, it's like a psychedelic
It's like a ps-, it's like a psychedelic sw-switch
It's like a psychedelic, it's like a psychedelic
It's like a ps-, it's like a psychedelic sw-switch
It's like a psychedelic, it's like a psychedelic
It's like a ps-, it's like a psychedelic sw-switch
It's like a psychedelic, it's like a psychedelic
It's like a ps-, it's like a psychedelic sw-switch
