

# Tonight I'm Getting Over You

Carly Rae Jepsen

**F**  
I wanna smash your fears  
**Am**  
And get drunken off your tears  
**B**  
Don't you share your smile  
**(C)** **F**  
with anyone else but me

**F Am B (C) F**

I wanna touch your heart  
I wanna crash it in my hands  
Make a plea, and cry  
As you give up all the lies

**F** **Am**  
We're not lovers, but more than friends  
**B** **C** **F**  
Put our flame to every single word you ever said  
**F** **Am**  
No more crying, to get me through  
**B** **C** **F**  
I keep dancing til the morning with somebody new

**F Am B C/F**

Tonight I'm getting over you  
Tonight I'm getting over you  
Tonight I'm getting over you  
Tonight I'm getting over you  
Over you, o-over you
