

# Bethlehem

Carman

Well, a long time ago in a land called Bethlehem  
Was born to Mary and Joseph the great I Am  
And they sang that Christmas morn  
"Ooh, a Savior has been born"  
And it happened a long time ago in a land called Bethlehem

Well, a long time ago when a-wise men roamed the land  
They saw a shiny star above the desert sand  
Well, they hopped them camels at night and they rode by the pale moonlight  
And it happened a long time ago in a land called Bethlehem

Well it happened a long  
Ooh, a long  
I said a long time ago in a land called Bethlehem  
Oh, and they sang that Christmas morn  
"Ooh, a Savior has been born"  
And it happened a long time ago in a land called Bethlehem

King Herod learned a lesson  
He learned it real hard  
You just don't mess with the Son of God

Well, a long time ago in a land called Bethlehem  
I said a long time ago in a land called Bethlehem

Well, the demons they cried  
They moaned and wailed  
Their kingdom got set back on its tail

Well, a long time ago in a land called Bethlehem  
Well, a long time ago in a land called Bethlehem

Well, it happened a long  
Ooh, a long  
I said a long time ago in a land called Bethlehem  
Oh, and they sang that Christmas morn  
"Ooh, the Savior has been born"  
And it happened a long time ago in a land called Bethlehem  
Said it happened a long time ago in a land called Bethlehem  
Well, it happened a long time ago in a land called Bethlehem
