

## It Happened to Me

Carman

Something changed, something rearranged my heart,

Oh, it's peaceful, yet it's just begun to start,

Could it be?

Yes, it happened to me.

Something wonderful, something beautiful took place,

Is it obvious?

Yes, it shows upon my face,

Could it be?

Yes, it happened to me.

Now that Jesus lives inside of me and sees me through each day,

I know Jesus lives inside of me and answers when I pray.

Something marvellous has begun to rule my life,

Yes, it's love I feel,

Whoa, it's made my soul alive,

Could it be?

Yes, it happened to me,

Could it be?

Yes, it happened to me.
