

It's War!

Carman

There's a spiritual fight
(It's Invisible)
We cannot see with our eyes
(It's Invisible)
Between the angels of light
(It's Invisible)
And the demons from the dark side
(It's Invisible)

Weapons of our enemy
Oppression, death, and disease
This power if you believe
But you got to fight on your knees
(It's a war, a battleground)

It's War! (Pray for revival)
It's War! (It's a matter of survival)
It's War! (Victory through every trial)
By The Father, Son, And Holy Ghost

Children, you can dance
(You sure can)
In the midst of any circumstance
As long as you're on God's side
The powers of Hell cannot defeat the light

It's War! (Pray for revival)
It's War! (It's a matter of survival)
It's War! (Victory through every trial)
By The Father, Son, And Holy Ghost

It's War! (Pray for revival)
It's War! (It's a matter of survival)
It's War! (Victory through every trial)
By The Father, Son, And Holy Ghost

It's Invisible
It's Invisible
It's Invisible
Fight This!

It's War! (Pray for revival)
It's War! (It's a matter of survival)
It's War! (Victory through every trial)
By The Father, Son, And Holy Ghost

It's War! (Pray for revival)
It's War! (It's a matter of survival)
It's War! (Victory through every trial)
By The Father, Son, And Holy Ghost

It's War! (Pray for revival)
It's War! (It's a matter of survival)
It's War! (Victory through every trial)
By The Father, Son, And Holy Ghost
