

Washed In The Blood

Carman

I'm gonna get all my friends together
Gather around, y'all
Listen to what I have to say
I've been rejuvenated
Reborn, and consecrated
I declare I've never felt this way
Hmm, I gotta tell somebody
Can't hold it inside no more
Gift of eternal life is free
Jesus is the door

'Cause I've been washed in the blood
Washed in the blood
Washed in the blood of the Lamb
And all my sins have been forgiven
And I'm just now startin' to live
And I've been washed in the blood of the Lamb
Mmmm, well, I've been washed in the blood
Washed in the blood
Washed in the blood of the Lamb
And all my sins have been forgiven
And I'm on my way to heaven
I've been washed in the blood of the Lamb

Two thousand years ago, Jesus
Died on the cross for
All the sins of fallen man
Because without the shedding
Of his blood, there is
No remission for our sin
Don't let that evil confine you
You need to be set free
From those sins that would bind you
Listen here to me, hey
Oh, take a tip from me

'Cause I've been washed in the blood
Washed in the blood
Washed in the blood of the Lamb
And all my sins have been forgiven
And I am just now startin' to live
And I've been washed in the blood of the Lamb
Hey, hey, I've been washed in the blood
Washed in the blood
Washed in the blood of the Lamb
And all my sins have been forgiven
And I'm on my way to heaven
I've been washed in the blood of the Lamb
Ooh
Washed in the blood
Hey
Washed in the blood
Mmm
