

## Any Old Time

Carmen McRae

Any old time you want me  
I'll be yours , for just the asking, darling  
Any old time you need me  
I'll be there, with love that's lasting, darling.  
All through the years we'll stand together  
Sharing the tears and stormy weather  
And the sunshine will be yours and mine

Any old time you're blue  
You'll have our love, to chase away the blues  
And any old thing you do I'll see you through.  
So just remember that I am waiting, dear  
If ever you want me I'll be near,  
Any old time and any place  
where you may be.

[ Any place, any old time ]
