

Because You're Mine

Carmen McRae

Because you're mine the brightest star I see looks down
My love, and envies me because you're mine
Because you're mine because you're mine
The breeze that hurries by becomes a melody
And why, because you're mine, because you're mine
I only know for as long as I may live
I'll only live for the kiss that you alone may give me
And when we kiss that isn't thunder dear
It's only my poor heart you hear, and it's applause
Because you're mine! because you're mine!

Because you're mine the brightest star I see looks down
My love, and envies me because you're mine
Because you're mine because you're mine
The breeze that hurries by becomes a melody
And why, because you're mine, because you're mine
I only know for as long as I may live
I'll only live for the kiss that you alone may give me
And when we kiss that isn't thunder dear
It's only my poor heart you hear, and it's applause
