

Coffee Time

Carmen McRae

Coffee time, my dreamy friend, it's coffee time
Let's listen to some jazz and rhyme
And have a cup of coffee

Let me show a little coffee house I know
Where all the new Bohemians go
To have a cup of coffee

Greetin' time, the music box is beatin' time
It's good old-fashioned meetin' time
So grab a chair and dig me there
For that's just the place that I'm at

Coffee time, my dreamy friend, it's coffee time
Let's sing this silly little rhyme
And have a cup of coffee

(Orchestral Break)

Greetin' time, the music box is beatin' time
It's good old-fashioned meetin' time
Grab a chair and dig me there
For that's just the place that I'm at

Coffee time, my dreamy friend it's coffee time
Let's sing this silly little rhyme
And have a cup of coffee
And have a cup of coffee
And have a cup of coffee
