

Don't Explain

Carmen McRae

Hush now, dont explain
Just say youll remain
Im glad your back, dont explain

Quiet, dont explain
What is there to gain
Skip that lipstick
Dont explain

You know that I love you
And what endures
All my thoughts of you
For Im so completely yours

Cry to hear folks chatter
And I know you cheat
Right or wrong, dont matter
When youre with me, sweet

Hush now, dont explain
Youre my joy and pain
My lifes yours love
Dont explain
