

I Can't Get Started

Carmen McRae

I've flown around the world in a plane
I've settled revolutions in Spain
The North Pole I have charted
But can't get started with you
Down on the golf course I'm under par
And all the movies want me to star
I've got a house a show place
Still I get no place with you

You're so supreme
The lyrics I write of you
Scheme just for the sight of you
Dream both day and night of you

Till what good dose it do
I've been consulted by Franklin D.
And Frank Sinatra had me to tea
Still I'm broken hearted
Cause I can't get started with you

When first we met how you elated me
Pet, you devastated me
Yet, now you've deflated me
'Till, you're my Waterloo

When J.P. Morgan bows I just nod
Green Pastures wanted me to play God
The Siamese Twins I've parted
But I can't get started with you
