

No More

Carmen McRae

You ain't gonna bother me no more
love goes just so far
woke up this morning
and found
i didn't care for you no more no how
never felt so good before
you're down to my size
it's over and done
so highness step down from your throne
that look in your eyes don't bother me none
can take you or leave you alone
from my window skies ain't gray no more
not now
here's the day that i've been waiting for
got only one heart
one heart with no spares
must save it for loving somebody who cares
so you ain't gonna bother me
no more
no more
