

# Drown

Carmouflage Rose

Don't waste your love on me  
I'm here to dance, not leave  
Tonight is up to me  
I've heard it all, I've done it all, don't you drown on me  
Don't drown on me  
Don't waste your love on me  
I'm here to dance, not leave  
Tonight is up to me  
I've heard it all, I've done it all, don't you drown on me  
Don't drown on me

Sometimes I don't know what it is, but my eyes follow you and you know that  
I'm with my friends and you know we got plans, I'ma call you again when I'm  
wasted  
I'm sky high and I'm lost in the life, yeah, it's hard to decide, I need gui  
dance  
It don't make no sense  
Running 'round in the deep end  
Yeah, thinking 'bout your hands  
Yeah, I might just take that chance

Don't waste your love on me  
I'm here to dance, not leave  
Tonight is up to me  
I've heard it all, I've done it all, don't you drown on me  
Don't drown on me

Said, I'll wait until the sun goes down  
Got my dreads in a braid, throw my feelings in the air, then I'm up until th  
e sun comes out  
Chasing money in a rush, there's only one way to my place in nirvana  
That's only when I step into your aura  
You see your friends talk about us, they be caught up  
So let's get lost in the moment like it's for us  
Just like it's for us

Don't waste your love on me  
I'm here to dance, not leave  
Tonight is up to me  
I've heard it all, I've done it all, don't you drown on me  
Don't drown on me

Don't drown on me  
Don't drown on me  
Don't drown on me  
Don't drown on me

Don't waste your love on me  
I'm here to dance, not leave  
Tonight is up to me  
I've heard it all, I've done it all, don't you drown on me  
Don't drown on me  
Don't waste your love on me  
I'm here to dance, not leave  
Tonight is up to me  
I've heard it all, I've done it all, don't you drown on me  
Don't drown on me
