Ay, huh

First nigga to fuck a fat bitch
In a fat whip
With the top swole
You ride high nigga

But I don't smoke, lo siento
My asthma is [cough cough]

My bitch playing Nintendo

Big tits, nice ass
She stay drunk off that Clicquot

Always taking medication
Thirsty bitches stay chasin'
They want to get in my basement

Bored with them bitches
So I fucked a caucasian
Bitches down with the fornication
Shawty down with the chubby mason
So we down, no altercation
Fucked the clique, that's dedication

We got the money
We got the hoes
We got the drink
We got the dro
We fitted up
We fitted down
Now hold it up, baby
And I'm gonna lay it down
But for now

Back that thing up for your nigga
Back that thing
Back that thing up for your nigga
Back back
Back that thing up for your nigga
Back that thing
Back that thing up for your nigga
Back that thing up for your nigga

She a bad bitch with a good brain
Her ass game so true
But she a ratchet bitch with an attitude
