

Bleached hair, bleach, bitch I got to
In the dark like a Sheikh I'm gon' ride through
If you text my phone too much, I might just block you
Ayy, if you got the zips I might just cop two, ooh
Haunted house, ayy, bitches come on out, ayy
Ass and titties shaking, ooh, let me see that mouth, ayy
Bitch, I'm from the South, ayy, I been wildin' out, alright
I might take your bitch tonight, teach that hoe to take a flight

If I don't see the Benjamins, I don't see the benefit (fuck it)
Why these bitches acting innocent?
I knows these hoes ain't no different
Ooh shit, I'm lit, I got hoes on my dick, ayy
I will never throw a pick, ayy
Bitches know that I'm too quick

Bleached hair, bleached, bitch I got to
In the dark like a Sheikh I'm gon' ride through
If you text my phone too much, I might just block you
Ayy, if you got the zips I might just cop two, ooh
Haunted house, ayy, bitches come on out, ayy
Ass and titties shaking, ooh, let me see that mouth, ayy
Bitch I'm from the South, ayy, I been wildin' out, alright
I might take your bitch tonight, teach that hoe to take a flight

All this water make me slipping, ooh yeah
Diamonds shining make me break the rules
As I sit, I laugh at all you fools
Checkered flag wavin', you know I made it
Gas, bad bitches, woah
All my homies lost they slow
It's like I don't know where to go
I follow my soul

Bleached hair, bleached, bitch I got to
In the dark like a Sheikh I'm gon' ride through
If you text my phone too much, I might just block you
Ayy, if you got the zips I might just cop two, damn, ooh
Haunted house, ayy, bitches come on out, ayy
Ass and titties shaking, ooh, let me see that mouth, ayy
Bitch, I'm from the South, ayy, I been wildin' out, alright
I might take your bitch tonight, teach that hoe to take a flight
