

Learn How to Watch

Carnage

Skrرت, skrrrt
Carnage! Ooh, oh

Jump out the top (skrrrt skrrrt, ooh)
Wrist on my watch (ooh, ooh)
Told her to stop (hey, yeah)
Learn how to watch (skrrrt skrrrt, yeah)
Learn how to watch (sauce, yeah)
Learn how to watch (ooh, uh)
Learn how to watch (wam, yeah)
Learn how to watch (wam, uh)
Stack up my guap (ooh, uh)
Weight in the pot (hey, uh)
Rubbin' the spot (skrrrt skrrrt, uh)
Learn how to watch (swag, yeah)
Learn how to watch (ooh, yeah)
Learn how to watch (ooh, yeah)
Learn how to watch (hey, ooh)
Learn how to watch (skrrrt skrrrt)

Yeah, what it look like?
Little too much sauce, get it cooked right
I'm the same mothafucka, been the same mothafucka
With the mothafuckin' fame like Suge Knight, shit
Gotta make time
And it really ain't shit if it ain't mine
I'm a beast, I'm a dog, I'm a canine
See the way I make her go down like a bassline (yeah)
Back when I was just a youngin', didn't have any nothin'
Always up to somethin', started gettin' money
Now I'm off and runnin', way too wild to function, call it comin' up
And yeah I'm on the escalator, they be starin' at me
They the spectators and I'm player magic
I'm a ex-Laker, I'm a messmaker
I don't stress paper, I don't care who has it
