

# Rizzla

Carnage

Do you wanna follow the dark side?  
Ship will never capsize  
When you see the bad man dey  
When I'm in the room, I can never keep it cool  
Cos the music dey burst my brain  
Buzz up the place and the girls dem dey shake  
And I love dem dey feel irie  
Step on the deck and I mash up the rep  
And I make dem dey go insane

Hmm hmm  
And I make dem dey go insane  
Give me the lighter, give me the rizzla  
Make I dey cure my craze  
Come, Mister Deejay, give me the beat ah  
Give me the beat again  
Take off my shoes and I break all the rules  
Na me I no dey look your face

Do you wanna follow the dark side?
