Carnage

I had a life before you
It was bittersweet
But it belonged to me
To me

I had a life before you
It was bittersweet
But it belonged to me
To me

Disappear, disappear, disappear
(I don't wanna get left, I don't wanna get left)
Into a slot machine
(I don't wanna get left, I don't wanna get left, I don't wanna get left)
Seeing clear, seeing clear, seeing clear
(I don't wanna get left, I don't wanna get left)
I know now what you mean
(I don't wanna get left, I don't wanna get left) you mean
I know now what you mean

Disappear, disappear, disappear
(I don't wanna get left)
Into a slot machine
(I don't wanna get left, I don't wanna get left, I don't wanna get left)
Seeing clear, seeing clear, seeing clear
(I don't wanna get left, I don't wanna get left)
I know now what you mean
(I don't wanna get left, I don't wanna get left) you mean
I know now what you mean

Disappear, disappear, disappear
(I don't wanna get left)
Into the slot machine
(I don't wanna get left
I don't wanna get left)
I know now what you mean

I love how I adore you
But it's bittersweet
I don't belong to me
To me

I love how I adore you
But it's bittersweet
I don't belong to me
To me

All that I do is for you
I am so complete
I'm where I chose to be
To me
To me
To me

Disappear, disappear, disappear
(I don't wanna get left)
Into a slot machine

(I don't wanna get left, I don't wanna get left, I don't wanna get left)
Seeing clear, seeing clear, seeing clear
(I don't wanna get left, I don't wanna get left)
I know now what you mean
(I don't wanna get left, I don't wanna get left) you mean
I know now what you mean

Disappear, disappear, disappear
(I don't wanna get left)
Into the slot machine
(I don't wanna get left
I don't wanna get left)
I know now what you mean
