Carnage

I had a life before you  
It was bittersweet  
But it belonged to me  
To me

I had a life before you  
It was bittersweet  
But it belonged to me  
To me

Disappear, disappear, disappear  
(I don't wanna get left, I don't wanna get left)  
Into a slot machine  
(I don't wanna get left, I don't wanna get left, I don't wanna get left)  
Seeing clear, seeing clear, seeing clear  
(I don't wanna get left, I don't wanna get left)  
I know now what you mean  
(I don't wanna get left, I don't wanna get left) you mean  
I know now what you mean

Disappear, disappear, disappear  
(I don't wanna get left)  
Into a slot machine  
(I don't wanna get left, I don't wanna get left, I don't wanna get left)  
Seeing clear, seeing clear, seeing clear  
(I don't wanna get left, I don't wanna get left)  
I know now what you mean  
(I don't wanna get left, I don't wanna get left) you mean  
I know now what you mean

Disappear, disappear, disappear  
(I don't wanna get left)  
Into the slot machine  
(I don't wanna get left  
I don't wanna get left)  
I know now what you mean

I love how I adore you  
But it's bittersweet  
I don't belong to me  
To me

I love how I adore you  
But it's bittersweet  
I don't belong to me  
To me

All that I do is for you  
I am so complete  
I'm where I chose to be  
To me  
To me  
To me

Disappear, disappear, disappear  
(I don't wanna get left)  
Into a slot machine

(I don't wanna get left, I don't wanna get left, I don't wanna get left)  
Seeing clear, seeing clear, seeing clear  
(I don't wanna get left, I don't wanna get left)  
I know now what you mean  
(I don't wanna get left, I don't wanna get left) you mean  
I know now what you mean

Disappear, disappear, disappear  
(I don't wanna get left)  
Into the slot machine  
(I don't wanna get left  
I don't wanna get left)  
I know now what you mean
