I Smell like Death (Son of a Bastard)

Carnal Forge

Brought To Earth With Hell In My Blood Unreal Powers I Release, I Raise The Flag Of Hate Just To Let You Know That Your Time Is Gone

Son Of A Bastard, Purgatory Awaits

Pain Is Gonna Come To You Faster Than A Sweeping Bullet Your Fear Shines Through So Bright When You Look Into My Burning Eyes...

I Smell Like Death I Breathe Destruction The Power At My Fingers Will Turn You Into Fucking Dust
