

An Event Of The Fallen

Carnifex

This is our damnation, a sacrifice to self
To separate angels and demons and condemn myself to hell
Bleed, bleed yourself, bleed my soul
Bleed, bleed yourself, bleed my soul
Bleed
Forever cast aside, forgotten and denied, this is the killing t
hought, a life without life

An event of the fallen, this is my hell within
An event of the fallen, this is when heaven stops calling
An event of the fallen
