

Cinque(The Parrot Stuff)

Carnival in Coal

Coco's beautiful, Coco's proud
Coco was the most expensive parrot in the shop
Coco's got the colours of the paradise
But Coco never wanted to learn how to talk

He spends his time lookin' at me
With an irritating cynical glance
He spends his time lookin' at me
He doesn't know he's in for a sentence

He's deaf and dumb, but I'm not blind
The shopkeeper made a fool out of me
Besides that, I'm sure the good blood of good night of bird
Eats twice as much as a Bengali

He spends his time lookin' at me
With an irritating cynical glance
He spends his time lookin' at me
He doesn't know he's in for a sentence

Coco's beautiful, Coco's proud
Coco was the most expensive parrot in the shop
Coco's got his body filled up with straw
Maybe that's why Coco never talked

He spends his time lookin' at me
With an irritating cynical glance
He spends his time lookin' at me
Motionless, silent, he's dead
