

# Can't Say Goodbye

Carol Banawa

So on and on we go  
In a world, where we just don't know  
Will tomorrow be kind  
Will you still be mine  
I can't get you out of my mind

I can't say goodbye  
Can't hear me cry  
Can't ask you why, you left me  
You're still on my mind  
Will take some time  
To wonder why, you let me go  
Deep in my heart I know  
Can't say goodbye

I'm lost and alone, without you  
I've not been the same since you've gone  
Can love survive, in this place and time  
Can I come alone for the ride

I can't say goodbye  
Can't hear me cry  
Can't ask you why, you left me  
You're still on my mind  
Will take some time  
To wonder why, you let me go  
Deep in my heart I know

I, I gave you my all  
You broke my heart  
But I can't let you go  
I don't know  
Can't say goodbye...

I can't say goodbye  
Can't hear me cry  
Can't ask you why, you left me  
You're still on my mind  
Will take some time  
To wonder why, you let me go  
I can't say goodbye  
Can't hear me cry  
Can't ask you why, you left me  
You're still on my mind  
Will take some time  
To wonder why, you let me go  
Deep in my heart I know  
Can't say goodbye...
