

Together Forever

Carol Banawa

My love, forever, you will always be my only love
Forever you will always be my faithful love
It's always you, you'll always be
My love, forever, you will be my first and only love
For you, alone, I'll give my everlasting love
I promise you, you'll always be

You and I will never say goodbye
We'll never even wonder why
You and I will always be
Together forever
You and I will never say goodbye
We'll never even wonder why
You and I will always be
Together, forever in love

My love, forever you will always be my only love
Forever you will always be my faithful love
It's always you, you'll always be

You and I will never say goodbye
We'll never even wonder why
You and I will always be
Together forever
You and I will never say goodbye
We'll never even wonder why
You and I will always be
Together forever in love
Together forever in love
