Guilty

Carola

Shadows falling, baby, we stand alone
Out on the street everybody you meet got a heartache of their own
Make it a crime to be lonely or sad

You got a reason for livin'
You battle on with the love you're livin' on
You gotta be mine
We take it away
It's gotta be night and day
Just a matter of time

And we got nothing to be guilty of
Our love, will climb any mountain near or far, we are
And we never let it end
We are devotion

Pulses racing, darling, how grand we are
Little by little we meet in the middle
There's danger in the dark
Make it a crime to be out in the cold

You got a reason for livin'
You battle on with the love you're buildin' on
You gotta be mine
We take it away
It's gotta be night and day
Just a matter of time

And we got nothing to be guilty of
Our love, will climb any mountain near or far, we are
And we never let it end
We are devotion
And we got nothing to be sorry for
Our love, is one in a million
Eyes can see that we got a highway to the sky

Don't wanna hear your goodbye
I don't wanna hear your goodbye
I don't wanna hear your...
And we got nothing
And we got nothing to be guilty of
And we got nothing to be sorry for
We got nothing, we got nothing

And we got nothing to be guilty of
Our love, will climb any mountain near or far, we are
And we got nothing to be sorry for
Our love, is one in a million, eyes
And we got nothing, nothing to be guilty of
