

# Newborn Soul

Carola

(I've got a newborn soul  
Since the holy ghost  
Took control, took control  
A newborn soul  
Since the Comforter, cleansed and made me whole)

A new walk (I've got a new talk)  
I've got a new song (I've got a new song, I can sing all day long)  
Thank God (I've got a new, I've got a newborn soul)

I've got a newborn soul...

A new walk...

I never knew love before  
I never knew peace before  
Till the day Jesus changed me  
And he rearranged me  
Now I'm walkin' in the light  
It's a beautiful holy light  
With everlasting love, for everyone

Thank God I've got a new  
(I've got a newborn soul)

I never knew...

Thank God I've got a new (I've got a newborn soul)

I've (I've got a newborn soul)  
I've got a newborn soul  
I've got a, I've got a newborn soul  
The places I used to go y'all  
I don't go anymore  
Things I used to say  
I don't say anymore  
I've got a newborn soul  
A newborn soul  
I've got a newborn soul  
I'm born, I'm born, I'm born again  
(I've got a newborn soul)  
Take my way of walking lord  
Take my way of talking  
Take my way of singing lord

Thank God I've got a new (I've got a newborn soul)  
A newborn soul (Thank God I've got a new)  
I've got a newborn soul  
(Thank God I've got a new)  
Thank God I've got a newborn soul  
(A newborn soul)  
A newborn soul
