

You Light up My Life

Carola

So many nights I sit by my window
Waiting for someone to sing me his song
So many dreams I kept deep inside me
Alone in the dark but now
You've come along

You, you light up my life
You give me hope
To carry on
You light up my days
And fill my nights with songs

Rollin' at sea, a drift on the waters
Could it be finally I'm turning for home?
And finally, a chance to say
How much I love You
'cause never again to be all alone

You, you light up my life

You give me hope
To carry on
You light up my days
And fill my nights with song

Yes you, you light up my life
You give me hope
To carry on
You light up my days
And fill my nights with song

It can't be wrong
When it feels so right

You light up my life
No matter how dark it is
And I love you

- You light up my life
- Light up my life
How I love you
How I love you
You light up my life
