

## wish i wuz dead

carolesdaughter

Rack up again, already can't breathe  
I just want some air before the high leaves

Drugs are fake and nothing's real  
I'm awake, but I wish I was dead  
I wish I was dead

I think rock bottom's fake  
'Cause I've been here for a while now  
Don't think I'll ever leave  
'Cause pain just makes me smile now  
Yeah, I think rock bottom's fake  
'Cause I've been here for a while now  
Don't think I'll ever leave  
'Cause pain just makes me smile now

Crash and burn, that's my end  
Now it's in my dreams, can't get a single normal thought  
Baby, I'm too sweet to rot

Drugs are fake and nothing's real  
I'm awake, but I wish I was dead  
I wish I was dead

You can add a few more scars to my body or my heart  
Just be careful with my love  
I don't want you, I want your plug

I don't want you, no, not at all  
I just need a number that I can call  
Just one more hit, I swear that's all  
Just one more hit, I swear that's all
