

Intimacy

Caroline Jones

I am in love, in love and out of control
I am in love, in love and out of control
It makes me trust, I hate it but it's good for my soul
In love and out of control
I am all in, all in and out of my depth
I am all in, all in and out of my depth
I made my plans but I fell for a man instead
All in and out of my depth

(Eh) The fear of intimacy
Parts of me you shouldn't see
Does it make you want to leave (leave)?
My heart is insanity
(Out of control)
(I'm out of...)

I am in love, in love and out of control
I am in love, in love and out of control
It makes me trust and I hate it but it's good for my soul
In love and out of control
Eh, love is like sugar and salt, tastes sweet but [?]
He's got my number to call (call) and I'm not sorry at all

The fear of intimacy (hmm)
Parts of me you shouldn't see
Are we just making believe?
The fear of intimacy
Does it make you want to leave?
Does it make you want to leave?
Ohhhh

(The fear of intimacy)
The fear of intimacy
(Parts of me you shouldn't see)
Parts of me you shouldn't see
(Does it make you want to leave?)
Does it make you want to leave (leave)?
My heart is insanity

In love and out of control (out of control)
All in and out of my depth (out of control)
But it's good for my soul (ohhh)
To be in love and out of control
