

Bikini

Caroline Rose

We're gonna give you everything you've ever wanted
Hang a banner with your name upon it
Pour three shots in a glass, call it a martini
All you've got to do is put on this little bikini

And dance
D-d-d-d-d-d-dance
Dance
Put on this Bikini and dance, dance, dance

We're gonna fly you off to Tokyo
You're gonna travel all over the world
We're gonna put you in the movies and our TV
All you've got to do is put on this little bikini

And dance
D-d-d-d-d-d-dance
Dance
Put on this Bikini and dance, dance, dance

C'mon shake it, ooh shake it
Shake it, shake it, shake it, shake it
And now give it to the world
Dance
Ooh shake it, you know you got this girl
Shake it, shake it, shake it, shake it
And now give it to the world
D-d-d-d-d-d-dance, dance, dance
Put on this Bikini and dance, dance, dance
Dance, D-d-d-d-d-d-dance, dance
Put on this Bikini and dance, dance, dance
