

Goddamn Train

Caroline Rose

Gotta get rich, gotta get it quick
Gotta get by, gotta get fixed
Gotta get stitched, gotta get hitched, gotta get snipped
Gotta get in line, gotta pay off my credit
Gotta get bit, gotta get jabbed
Gotta get high, gotta do dat do dat blat!
Gotta be first never be last ahh
Everybody get aboard the goddamn train

Gotta keep quiet, gotta sit tight
Gotta shake hands, gotta make plans
Gotta get ripped, gotta stay fit, never get sick
Gotta pick a side and don't forget it!
Gotta stay young, gotta get some
Gotta be hung, gotta new lung
Gotta chew cud, gotta get more, gotta get yours
Gotta eat her, eat that, never eat trans fat

Bought a new house
Got one need ten
Made a million dollars
Got one need ten
New baby on the way
Need one more crib
Wrap it in a bow
You got no loose ends

New checkbook come with a new pen
Golden handcuffs come with a new desk
Congrats you qualify for a new debt
Everybody on your knees who give the best head, yuh!

Ooh

For another hundred dollars one time offer
Get more foot room in the meat grinder
Open up and suck down a pill for the pain
Everybody get aboard the goddamn train
