

# Yip Yip Yow

Caroline Rose

I was born in the twelfth new crescent moon  
I was kickin' and screamin'  
A tipped cow in a minivan town  
God said, "Gotta cut it out (Snip!)  
Gotta get it out right now  
I think it's got the yip yip yow  
Pretty soon it's gonna bust on out"

Yeah, the yip yip yow  
I'm turnin' all the tables  
'Cause I don't need nothin' 'cept the yip yip yow  
Yip yow, yip yow yow  
Yip yow, yip yip yip yow  
Oh, the yip yip yow  
Like livin' and breathin'  
Like sleepin' and dreamin' that yip yip yow  
Yip yow, yip yow yow  
Yip yow, yip yip yip yow

Come-a, come-a from a concrete well  
[?] and I slept all day  
They beat the country for the big time city  
Zip top [?]  
It's what you do when you got nothin' to lose  
When you got the yip yip yow  
If you got it, then you gotta let it out

Yeah, the yip yip yow  
I'm turnin' all the tables  
'Cause I don't need nothin' 'cept the yip yip yow  
Yip yow, yip yow yow  
Yip yow, yip yip yip yow  
Oh, the yip yip yow  
Like livin' and breathin'  
Like sleepin' and dreamin' that yip yip yow  
Yip yow, yip yow yow  
Yip yow, yip yip yip

Oh, yip over here, yip over there  
Yip on the ground, I yip in the air  
Yip on the street, yeah, yip all day  
Yip yip yow, now, all across the USA

I'm gonna yip yip yow  
Ohhh

Yip yip yow from Phoenix, Arizona  
Yip yip yow from Tulsa, Oklahoma  
Yip yip yow from New York City  
Yip yip yow, now, all across the USA  
Yip yip yow when you got nothin' to lose  
Yip yip yow when I'm on the go  
Yip yip yow when I need a little high  
Yip yip yow 'cause it feeds my soul

Yip yow, yip yow yow  
Yip yow, yip yip yip yow (I'm gonna yip yip yow)

Yip yow, yip yow yow  
Yip yow, yip yip yip yow (Oh, I'm gonna yip yip yow)  
Yip yow, yip yow yow  
Yip yow, yip yip yip yow (I'm gonna yip yip yow)  
Yip yow, yip yow yow  
Yip yow, yip yip yip yow
