

Dissillusioned Heart

Carolyn Dawn Johnson

He was the walking picture
Intoxicating mixture
Of everything I dreamed love could be
He held my fascination
I had no hesitation
He brought unknown emotions out of me
Oh, I can be so gullible
Always believing the impossible

It was hypnotizing
He was mesmerizing
I was taken in right from the very start
Now I stand amazed
Kinda like I'm in a daze
Feeling so reformed, my poor
Disillusioned heart

Slight miscalculation
Some over expectation
I loose perspective every now and then
Guess it was bound to happen
Some day I'll look back laughing
I just need a little time to mend
Oh, I put him on that pedestal
I was so naïve, it was in incredible

It was hypnotizing
It was mesmerizing
I was taken in right from the very start
Now I stand amazed
Kinda like I'm in a daze
Feeling so reformed, my poor
Disillusioned heart

It was hypnotizing
It was mesmerizing
I was taken in right from the very start
Now I stand amazed
Kinda like im in a daze
Feeling so reformed, my poor
Disillusion

It was hypnotizing
It was mesmerizing
Oh, I was taken in right from the very start
Now I stand amazed
Kinda like I'm in a daze
Feeling so reformed, my poor
Disillusioned heart
