

## Something Isn't Right

Carousel Kings

I took a bus home from tour early  
Just to watch you die in front of me  
I hung around for a couple weeks  
Until your wife kicked me out and took everything

I think my confidence stems from finding common sense  
To think and grow my tree of life  
We can design and have what's yours and mine alone  
You cross my mind all of the time

Something isn't right, I've been living in this house my whole  
life  
What happened to my rights and everything I had my whole life  
I'm finding consonance in forgiving all of this

I'll try to focus on where I belong

I can't stand losing you  
In my dreams I still see you  
I can't stand losing you  
Take me back to you

Not a single day goes by that I don't think about you  
I'll keep living my life the way you taught me to  
Now that my conscious is cleansed , it all makes sense  
Drift to the flow of the river of life

Wish I knew the whole truth  
I'd never abandon you  
Wish I knew the whole truth  
Take me back to you
