

Easy Love

Carpark North

I've never seen you
Only known your silhouette
Uuuh, uuuh
Nobody knows what we do
But we're here with no regrets
Uuuh, uuuh

I left a piece of me in your heart
You asked if we could kiss in the dark
I know it's gonna leave a mark
When we make love to the beat of your heart
Something addictive about to start
And I'm falling falling falling falling for you
Uuuh, uuuh

We're making easy love
Blood runs fast we're taking it slow
Uuuh, uuuh

Yeah, it's a secret love
What happens right here no one has to know
Uuuh, uuuh

It feels like it's been a year
Since I saw you last night
Uuuh, uuuh
And I will be waiting right here
Hoping to see you again tonight
Uuuh, uuuh

Cause you left a piece of you in my heart
I'm ready to kiss in the dark
I know it's gonna leave a mark
When we make love to the beat of your heart
Something magic about to start
Yeah and we're falling falling falling falling through
Uuuh, uuuh

We're making easy love
Blood runs fast we're taking it slow
Uuuh, uuuh

Yeah, it's a secret love
What happens right here no one has to know
Uuuh, uuuh

Yeah

We're making easy love
Blood runs fast we're taking it slow
Uuuh, uuuh

Yeah, it's a secret love
What happens right here no one has to know
Uuuh, uuuh

We're making easy love

Uuuuuuh
Uuuuh, uuuh
