

Just Like Me

Carpark North

How do you dream?
How do you think?
How do you do everything
If you're not like me
And you're just like me
You are just like me.

And what do you feel?
What do you see?
What do you see
When it's dark you see you're like me
You're just like me
You're just like me.

And where do you go?
And where do you go?
where do you go to get lost
You know where I'll be
'Cause you're just like me
You're just like me
