

Panic Attack

Carpark North

Everything is out of balance
Everything is mirror black
Everything is reflections
Can you feel my panic attack?
Everything is just crazy
I'm in a monster's [?]
And it feels like
Breathing fat black smoke

Everybody's walking backwards
My mind's a shivering haze
And my eyes just flutter
I haven't really slept for days
Am I really going crazy?
Se my hands, they shake
And my thoughts are like
Tiny twitching earthquakes

I need, I need
I need a revolution
'Cause I can't take any more
I need relief
I need a revolution now
Let me go

Could she tell me what is going on?
Could she help me now?
Could she get me out of this misery, I'm in
I really need her to pull me up from under
Right now I'm sinking in deep dark waters

Can't she see they're walking backwards?
My mind's a shivering haze
Does she see my eyes flutter?
I haven't really slept for days
Am I really going crazy?
Se my hands, they shake
Does she know when my
Bright, battered mind breaks

I need, I need
I need a revolution
'Cause I can't take any more
I need relief
I need a revolution now
Let me go
Just let go

Na, na, na
Na, na, na, na
Na, na, na, na
Na, na, na
Na, na, na, na
Na, na, na, na
Na, na, na, na
Na, na, na

Let me go
Let me go
Let me go
