

## I Kept On Loving You

Carpenters

I ran away from you  
and left you crying,  
And though I'm here to stay  
you think I'm lying  
But I've changed my ways  
and my wandering days are through;  
and through it all,  
I've kept on loving you.

R: Don't worry baby please don't cry,  
I'm home for good and I will never leave you  
Don't worry baby please don't cry,  
You must believe me and I will never leave you.

You've heard this all before  
I don't deny it  
The road was long and wide  
I had to try it  
Though I hurt you girl  
These were things I had to do  
But through it all  
I kept on loving you.
