

Sandy

Carpenters

Looking at you
I'm almost home again
Something in you
Puts me at ease
Yes, I know that you're
Suspicious of me
Do I mean the things I say?
You know I've been in love before
That much is true
But though I've been in love before
It wasn't with you

Ooh, Sandy
Could we spend the day together?
You know how rainy weather
Gets me down when I'm alone
You, Sandy
You gotta be a friend today
An hour with you would
Chase the winter away

Being with you
I'm like a child again
Your eyes can see
Clearer than mine
No one ever made me quite so aware
No one ever took the time
The time it took surprises me
Nothing's the same
As if my life began again
Hearing your name

Ooh, Sandy
Could we spend the day together?
You know how rainy weather
Gets me down when I'm alone
You, Sandy
You gotta be a friend today
An hour with you would
Chase the winter away

An hour with you would
Chase the winter away
Ooh, ooh...
