|: **A Asus4 Asus9** :| **A Asus4 Asus9 A E A**

**A** Such a feelin's comin' over me  
**D E A**

**C#mi Hmi A**  
There is wonder in most every thing I see

**D E C#mi F#**  
Not a cloud in the sky, got the sun in my eyes

**Hmi Dm6 E**  
And I won't be surprised if it's a dream

**A D E A**  
Everything I want the world to be

**C#mi Hmi A**  
Is now comin' true especially for me

**D E C#mi F#**  
And the reason is clear, it's because you are here

**Hmi Dm6 E**  
You're the nearest thing to Heaven that I've seen

**A D**  
I'm on the top of the world lookin' down on creation

**A E A A7**  
And the only explanation I can find

**D E A D**  
Is the love that I've found ever since you've been around

**A E A**  
Your love's put me at the top of the world

Somethin' in the wind has learned my name  
And it's tellin' me that things are not the same  
In the leaves on the trees and the touch of the breeze  
There's a pleasin' sense of happiness for me

There is only one wish on my mind  
When this day is through I hope that I will find  
That tomorrow will be just the same for you and me  
All I need will be mine if you are here

I'm on the top of the world lookin' down on creation  
And the only explanation I can find  
Is the love that I've found ever since you've been around  
Your love's put me at the top of the world

I'm on the top of the world lookin' down on creation  
And the only explanation I can find  
Is the love that I've found ever since you've been around  
Your love's put me at the top of the world
