

# Relapse

Carrie Underwood

If anyone asks, you never saw me  
And I know you know better than to call me  
Let's just hide out under the covers  
One more secret between two old lovers  
What can it hurt?

I ain't hung up on you  
I ain't in love with you  
This is just time that I'm wasting  
One or two little sips  
I'm alright, I can quit  
You're just someone that I'm tasting

I don't have to have you  
I don't need to need you  
Just a high that I'm chasing  
Don't think I'm coming back  
It's just a relapse

I know I said, I said it was over  
But it's hard when I miss you to stay sober  
So if I show up here at your door again  
Oh, it's just me falling off of the wagon  
What can it hurt?

I ain't hung up on you  
I ain't in love with you  
This is just time that I'm wasting  
One or two little sips  
I'm alright, I can quit  
You're just someone that I'm tasting

I don't have to have you  
I don't need to need you  
Just a high that I'm chasing  
Don't think I'm coming back  
It's just a relapse

I can quit when I'm ready (I can quit)  
I ain't hurting nobody but me

I ain't hung up on you  
I ain't in love with you  
This is just time that I'm wasting  
One or two little sips  
I'm alright, I can quit  
You're just someone that I'm tasting

I don't have to have you  
I don't need to need you  
Just a high that I'm chasing  
Don't think I'm coming back  
It's just a relapse

Oh, no  
Don't think I'm coming back  
It's just a relapse
