## So Small

## **Carrie Underwood**

What you got if you ain't got love? The kind that you just wanna give away It's okay to open up Go ahead and let the light shine through

I know it's hard on a rainy day You wanna shut the world out And just be left alone But don't run out on your faith

'Cause sometimes that mountain you've been climbing Is just a grain of sand And what you've been out there searching for forever Is in your hands

And when you figure out Love is all that matters after all It sure makes everything else Seem so small

It's so easy to get lost inside A problem that seems so big at the time It's like a river that's so wide It swallows you whole

While you're sitting around thinking 'bout what you can't change And worrying about all the wrong things Time's flying by, moving so fast You better make it count 'cause you can't get it back

Sometimes that mountain you've been climbing Is just a grain of sand And what you've been out there searching for forever Is in your hands

Oh, and when you figure out Love is all that matters after all It sure makes everything else Seem so small!

Sometimes that mountain you've been climbing Is just a grain of sand And what you've been out there searching for forever Is in your hands

And then you figure out Love is all that matters after all It sure makes everything else Oh, it sure makes everything else Seem so small
