## **Some Hearts**

## **Carrie Underwood**

I've never been the kind that you'd call lucky Always stumbling' around in circles But I must have stumbled into something Look at me Am I really alone with you I wake up feeling like my life's worth living Can't recall when I last felt that way Guess it must be all this love you're giving Never knew never knew it could be like this But I guess Some hearts They just get all the right breaks Some hearts have the stars on their side Some hearts, They just have it so easy Some hearts just get lucky sometimes Some hearts just get lucky, lucky sometimes Now who'd have thought someone like you could love me You're the last thing my heart expected Who'd have thought I'd ever find somebody Someone who someone who makes me feel like this Well I guess Some hearts They just get all the right breaks Some hearts have the stars on their side, yes Some hearts, They just have it so easy Some hearts just get lucky sometimes Some hearts just get lucky sometimes Ohhhhhh Even hearts like mine Get lucky, lucky sometimes Even hearts like mine Ohhhhhhh Some hearts, They just get all the right breaks Some hearts have the stars on their side Some hearts, They just have it so easy Some hearts just get lucky sometimes Some hearts They just get all the right breaks Some hearts have the stars on their side, yes Some hearts, They just have it so easy Some hearts just get lucky sometimes Some hearts just get lucky sometimes
