

# Whenever You Remember

Carrie Underwood

When you look back on times we had, I hope you smile  
And know that through the good and through the bad  
I was on your side when nobody could hold us down  
We claimed the brightest star  
And we, we came so far and no they won't forget

Whenever you remember times gone by  
Remember how we held our heads so high  
When all this world was there for us  
And we believe that we could touch the sky  
Whenever you remember, I'll be there  
Remember how we reached that dream together  
Whenever you remember

When you think back on all we've done, I hope you're proud  
When you look back and see how far we've come  
It was our time to shine and nobody could hold us down  
They thought they'd see us fall  
But we, we stood so tall and no we won't forget

Whenever you remember times gone by  
Remember how we held our heads so high  
When all this world was there for us  
And we believe that we could touch the sky  
Whenever you remember, I'll be there  
Remember how we reached that dream together  
Whenever you remember, yeah ooh

We claimed the brightest star  
And we, we came so far  
And know that we showed them all  
And no they won't forget, yeah

Whenever you remember times gone by  
Remember how we held our heads so high  
When all this world was there for us  
And we believe that we could touch the sky  
Whenever you remember, I'll be there  
Remember how we reached that dream together  
Whenever you remember, whenever you remember  
Ooh, whenever you remember
