

# Everything Or Nothing

Carrollton

It's everything or nothing at all,  
It's an open heart or a stone wall,  
It's all in, or it's all out  
Love is everything.

I don't wanna reach the end of the day  
And wonder how time slipped away  
Oh, I'm learning what it means to say,  
"Love is everything."

I will give you my all, there's no hiding in the middle ground  
Either fly or we fall,  
You have my attention  
Oh, I hear you now  
I surrender  
I surrender  
'Cause it's everything or nothing at all  
I surrender  
I surrender  
'Cause it's everything or nothing at all

It's easier to stay in the lines  
And play it safe, you know we'd all be fine  
But I hear you whisper one more time,  
"Love is everything."

I will give you my all,  
There's no hiding in the middle ground  
Either fly or we fall,  
You have my attention,  
Oh, I hear you now  
I surrender  
I surrender  
'Cause it's everything or nothing at all  
I surrender  
I surrender  
'Cause it's everything or nothing at all

No greater love has ever been  
Than the One who gave it all for a friend  
Lord help me never to forget,  
Love is everything

I will give you my all,  
There's no hiding in the middle ground  
Either fly or we fall,  
You have my attention,  
Oh, I hear you now

I will give you my all,  
There's no hiding in the middle ground  
Either fly or we fall,  
You have my attention,  
Oh I hear you now

I surrender  
I surrender

'Cause it's everything or nothing at all  
I surrender  
I surrender  
'Cause it's everything or nothing at all

I surrender  
I surrender  
'Cause it's everything or nothing at all  
I surrender  
I surrender  
'Cause it's everything or nothing at all
