Glimpses

Carrollton

I've never seen Your power part the sea
Or raise a dead man back to his feet
I'm just looking for glimpses
Looking for glimpses

But You stop my heart in the blink of an eye
In the miracle of my baby's smile
I'm just looking for glimpses
Looking for glimpses

I'm starting to see You more
In things I've never seen You in before

You are everywhere
I'm looking, I believe
In the beauty and broken
A perfect mystery
I'm starting to see You in
See You in the glimpses

Through the stillness of the night
No wind, my world is a burning fire
I'm just looking for glimpses
Looking for glimpses

Everything around points to You
Lord, help me see the beauty in all You do
I'm just looking for glimpses
Looking for glimpses

I'm starting to see You more
In things I've never seen You in before

You are everywhere
I'm looking, I believe
In the beauty and broken
A perfect mystery
I'm starting to see You in
See You in the glimpses

See You more
See You more
Oh, I'm starting to see You more
I'm starting to see You more

You are everywhere
I'm looking, I believe
In the beauty and broken
A perfect mystery
There is nowhere I can go when
You've never shown Yourself to me
I'm starting to see You in
I'm starting to see You in the glimpses
